14. Cubase AI Download Information × 1

PRECAUTIONS

In addition to the AG03MK2 and YCM01 Precautions, please read the following carefully before proceeding.

Please keep this manual in a safe place for future reference.

⚠ DANGER

Make sure to always observe the basic precautions listed below to prevent the likelihood of serious injury or even death from electrical shock, short-circuiting, damage, fire, or other hazards.

Handling caution

- Do not listen with the headphones while driving or cycling. Also avoid using them where hearing must not be impaired, such as at a railroad crossing or a construction site. Reduced ability to hear surrounding sound increases the risk of an accident.

⚠ WARNING

Always follow the basic precautions listed below to avoid the possibility of serious injury or even death from electrical shock, short-circuiting, damages, fire or other hazards. These precautions include, but are not limited to, the following:

Hearing loss

- Before connecting the headphones to a device or turning the power of all devices on or off, make sure that all volume levels are set to the minimum. Failing to do so may result in hearing loss, electric shock, or equipment damage.
- Do not use headphones for a long period of time at a high or uncomfortable volume level, since this can cause permanent hearing loss. If you experience any hearing loss or ringing in the ears, consult a physician.

⚠ CAUTION

Always follow the basic precautions listed below to avoid the possibility of physical injury to you or others, or damage to the device or other property. These precautions include, but are not limited to, the following:

Handling caution

- When removing the plug from the connected device, be sure to pull out by the plug itself, not the cable. Bending or pulling the cable forcefully may damage it.
- In case the headphones irritate your skin, stop use immediately. If any abnormality appears on your skin, consult a physician.

Storage

- Keep the product out of reach of children to avoid them swallowing small parts. If a child swallows one, consult a physician immediately.

Yamaha/Steinberg cannot be held responsible for damage caused by improper use or modifications to the device, or data that is lost or destroyed.

NOTICE

To avoid the possibility of malfunction/ damage to the product, damage to data, or damage to other property, follow the notices below.

■ Handling and maintenance

- Refer also to the manuals supplied with the devices to be connected.
- Do not use headphones that are malfunctioning.
- Do not expose the product to excessive dust or vibration, or extreme cold or heat, in order to prevent the possibility of panel disfiguration, unstable operation, or damage to the internal components.
- Do not place vinyl, plastic or rubber objects on the product, since this might cause alteration or discoloration of the panel.
- When cleaning the product, use a dry and soft cloth. Do not use paint thinners, solvents, cleaning fluids, or chemical-impregnated wiping cloths, since this might cause alteration or discoloration.
