PRECAUTIONS

PLEASE READ CAREFULLY BEFORE PROCEEDING

Please keep this manual in a safe place for future reference.

⚠ DANGER: Make sure to always observe the basic precautions listed below to prevent the likelihood of serious injury or even death from electrical shock, short-circuiting, damage, fire or other hazards.

Handling caution

- Do not listen with the headphones while driving or cycling. Also avoid using them where hearing must not be impaired, like at a railroad crossing and a site of construction. Reduced ability to hear surrounding sound increases the risk of an accident.

⚠ WARNING: Always follow the basic precautions listed below to avoid the possibility of serious injury or even death from electrical shock, short-circuiting, damages, fire or other hazards. These precautions include, but are not limited to, the following:

Do not open

- This device contains no user-serviceable parts. Do not open the device or attempt to disassemble the internal parts or modify them in any way. If it should appear to be malfunctioning, discontinue use immediately and have it inspected by qualified Yamaha service personnel.

Water warning

- Do not expose the device to rain, use it near water or in damp or wet conditions. If any liquid such as water seeps into the device. Then have the device inspected by qualified Yamaha service personnel.

Hearing loss

- Before connecting the headphones to a device or turning the power of all devices on or off, make sure that all volume levels are set to the minimum. Failing to do so may result in electric shock, hearing loss, or equipment damage.
- Do not use the headphones for a long period of time at a high or uncomfortable volume level, since this can cause permanent hearing loss. If you experience any hearing loss or ringing in the ears, consult a physician.

Fire warning

- Do not place any burning items or open flames near the device, since they may cause a fire.

⚠ CAUTION: Always follow the basic precautions listed below to avoid the possibility of physical injury to you or others, or damage to the device or other property. These precautions include, but are not limited to, the following:

Handling caution

- Do not use the device in a location where it may come into contact with corrosive gases or salt air. Doing so may result in malfunction.
- Before moving the device, remove the connected cable.
- In case the headphones irritate your skin, stop use immediately. If any abnormality is appeared on your skin, consult a physician.
- Do not rest your weight on the device or place heavy objects on it, and avoid use excessive force on the connectors to prevent injuries.
- Avoid pulling the connected cable to prevent injuries.

Keeping

- Keep the product out of reach of children to avoid them swallowing small parts. If a child swallowed them, consult a physician immediately.

Yamaha cannot be held responsible for damage caused by improper use or modifications to the device.

Information for Users on Collection and Disposal of Old Equipment

This symbol on the products, packaging, and/or accompanying documents means that used electrical and electronic products should not be mixed with general household waste.
For proper treatment, recovery and recycling of old products, please take them to applicable collection points, in accordance with your national legislation and the Directives 2002/96/EC.
By disposing of these products correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling.
For more information about collection and recycling of old products, please contact your local municipality, your waste disposal service or the point of sale where you purchased the items.

[For business users in the European Union]

■ Accessories

- Threaded 1/4" (6.3 mm) gold-plated adaptor
- Owner's Manual (this manual)
- Padded carry bag

How to use the headphones

Wear the headphones with the L mark in your left ear, and the one with the R mark in your right ear. Depending on the device to be connected, use the supplied threaded 1/4" (6.3 mm) gold-plated adaptor as necessary.

■ Notice

To avoid the possibility of malfunction/ damage to the product, damage to data, or damage to other property, follow the notices below.

Handling and maintenance

- Refer also to the manuals supplied with the devices to be connected.
- When removing the plug from the connected device, be sure to pull out by the plug itself, not the cable. Bending or pulling the cable forcefully may damage it.
- Do not use headphones that are malfunctioning.
- Do not expose the device to excessive dust or vibration, or extreme cold or heat (such as in direct sunlight, near a heater, or in a car during the day), in order to prevent the possibility of disfiguration, unstable operation, or damage to the internal components.
- Do not place vinyl, plastic or rubber objects on the device, since this might discolor.
- When cleaning the device, use a dry and soft cloth. Do not use paint thinners, solvents, cleaning fluids, or chemical-impregnated wiping cloths.

■ Etiquette

Do not use the headphones at high volume in a public place. Sound leakage from the headphones will be a nuisance to people around you.
